

Thai Attorneys in Bangkok

Finding a Thai attorney in Bangkok is easy if you simply use reputable attorneys in Thailand. We at Siam Legal with branches in Pattaya, Phuket, Samui, Chiang Mai and Samui are Thailand's largest legal services network. Our Thai attorneys and expat attorneys are able to assist you with all your legal needs at a fraction of the costs which other unknown law firms in Thailand would charge you. Remember never to sign any documents before you have consulted one of our attorneys as the Thai legal system is well known to work very slowly and costs will then mount. Always speak to us first!

We are confident that as an established full service, multi-lingual, multi-national law firm we can provide effective solutions for any legal strategies which you may undertake in Thailand.
